

CASE STUDY

Use Available People More Efficiently

Challenge

- Equipment shortage
- Break down BHA
- Reassemble BHA
- Specialist not on board

Solution

- Connect with specialist using Streamsolution
- Rearrange BHA equipment already on board to save time and money.

Testimonial

“This digital solution allows us to work in different, smarter and more efficient ways. This opens up a lot of opportunities to become more efficient”

Results

- ✓ Saved 20,000 USD
- ✓ No need to send out specialist
- ✓ No need to send out more equipment to rig.
